What we've been up to in the past fortnight!

Over the last week, the children have enjoyed participating in group activity play. The children were enjoying playing a 'MARBLE HUNT'. They were teaming up and drawing the map to help find the marbles around the school grounds. (Photo. 1)

While participating in group game activities, the children at GOSH were playing board and card games. The most popular game is "UNO". The children grouped themselves to play UNO. The children were having fun playing the game and taking turns to play so well. (Photo.2)

At GOSH, we were playing "TWISTER". The children were taking turns leading the games as we do not have the spinner. The children were playing nicely along with their friends, got to test their flexibility and socialized well. (Photo.3)

The children were playing "SNAKES & LADDERS". The children were participating in the game with an educator assisting. The children were enjoying playing this game and played well with their friends and educators. (Photo.4)

They were practicing spelling and creating words by participating in the "CROSSWORDS" board games. The older children were assisting the younger children to complete the correct words and had fun together (Photo. 5)

The children were dressing up, as they are creating an imagination play. The girls were dressing up and pretended to play as a family along with the preps. It was lovely to see they have a beautiful imagination and had fun together. (Photo. 6)

What we have planned for the next fortnight!

- Are you ready for a Time Jump these school holidays? We are! Come join us as we discover different times and places. We'll explore the past, present and future through all kinds awesome activities, games and excursions. **Come Join Us!**
