

Year 12 free online revision workshops

Want to improve your VCE results? Need help revising?
Are you looking for study tips?

WHAT

Join us for our free online revision workshops. During these workshops, you will be guided through Unit 3 subject specific revision as well as advice for upcoming exams.

Workshops are delivered by highly experienced teachers with an in-depth knowledge of the curriculum. All presentations allow you to ask questions regarding content covered.

FREE ONLINE EVENT

These workshops are available to eligible schools through ACU's Widening Participation initiatives. Teachers are more than welcome to attend as part of their professional development. Registrations are required to attend.

ACU's VCE Revision Workshop

Presenter Profiles

Ross Huggard
English (29 June, 10am)

Ross is a passionate and widely known VCE English teacher, VCE exam assessor and author and he is currently one of the Assistant Chief Assessors for English with the VCAA. Ross has had extensive experience in teaching and assessing VCE English from its inception. He has taught, both in government and independent schools, for over 40 years' experience. He is a highly experienced Year 12 English Assessor of over 38 years duration and has been a member of various VCAA English Review Committees. He has also been a VCE English Verification Chairperson and he previously convened a large regional English Network. He is actively involved in the Victorian Association for the Teaching of English and is a member of VATE Council. Ross has been presenting the ACU English revision workshops since 2024.

Lauren Mauger
General Maths (30 June, 10am)

Lauren Mauger is a passionate and experienced Learning Specialist and General Maths VCE teacher at McKinnon Secondary College, with 12 years of teaching experience. As a VCAA marker for General Maths for the past seven years, Lauren has gained valuable insights into the subject and exam requirements. She has helped numerous students excel in VCE, including seven who achieved a perfect study score of 50 and a Premier's Award. Beyond the classroom, Lauren has delivered lectures at ACU for the past three years and is excited to present again in 2026. She loves making mathematics accessible, engaging and enjoyable, helping students build confidence and reach their full potential in VCE.

Rachel King
Physical Education (29 June, 1pm)

Rachel is an experienced teacher of VCE Health and Human Development and VCE Physical Education, with a background in Exercise and Sport Science and a strong interest in health, sport and physical activity. She delivers clear, engaging lessons that are closely aligned with the VCAA study design, while linking key concepts to everyday examples to support student understanding. Through her involvement with VCAA in a range of roles, Rachel has developed a solid understanding of both the course content and the assessment process. She helps students focus on what examiners are looking for and shares practical strategies to use their time effectively and structure responses clearly. Now in her fifth year of presenting the VCE revision workshop at ACU, Rachel enjoys supporting students with simple, practical tips that strengthen their understanding and build confidence leading into exams.

Prue McLeod
Business Management (9 July, 1pm)

Prue McLeod has spent nearly 20 years inspiring VCE students across Independent and Catholic schools. After a career in finance, she moved into education with a passion for making learning engaging, relevant, and accessible for VCE Business Management students. A VCAA assessor, revision lecturer, and resource developer, Prue is dedicated to curriculum excellence and student success. Her leadership spans both academics and student wellbeing, now serving as VCE Coordinator and Head of Year 11. Committed to equity and social justice, she strives to empower every student to reach their full potential. Prue has been presenting the ACU English revision workshops since 2023.

Vivienne Bonnell
Biology (9 July, 10am)

Vivienne is a passionate science teacher with ten years of teaching experience at Nhill College, including seven years teaching VCE Biology. With a genuine love of all that is science, with a particular penchant for biology, she brings enthusiasm into her teaching and understands the challenges students face in mastering key concepts, applying scientific thinking, and preparing for exams. In addition to presenting the ACU Biology revision lectures for the past three years, she regularly produces high-quality assessment tasks and trial exams for several commercial VCE companies. These experiences have enabled her to establish a deep understanding of both the subject matter and the way students learn. Her goal is to make learning engaging and accessible to every student.

Shirley Lu
Health and Human Development (10 July, 10am)

Shirley is currently a teacher of Health and Human Development at Melbourne Girls' Grammar. She has ten years' experience across government and independent schools in Victoria including a period of engagement with schools in Singapore and Malaysia, and their respective Ministries of Education, broadening her understanding of how education policies are implemented and evaluated. Shirley has led curriculum documentation and assessment initiatives and implemented comprehensive health and pastoral care programs for Years 7-12. An Australian Council for Health, Physical Education and Recreation award recipient (2017), Shirley challenges students to critically examine the social constructions of health, and to understand health as a complex, systems-level concept shaped by interrelated factors beyond biological processes.

Hayley Dureau
Maths Methods (30 June, 1pm)

Hayley is an Assistant Principal at Mentone Girls' Secondary College. Hayley received the 2021 Commonwealth Bank Teaching Award and was awarded the National CHOSEMATHS Outstanding Secondary Teacher Award in 2018 by the Australian Mathematical Sciences Institute. Hayley was awarded the 2017 George Alexander Foundation Fellowship, allowing her to undertake applied research in the area of Student Voice and STEM Education in Denmark. In 2016 Hayley was named Victorian Department of Education and Training Outstanding Secondary Teacher of the Year. As a senior Mathematics teacher and Texas Instruments Teacher Trainer, Hayley presented to Maths educators at various Mathematics conferences across Australia. Hayley has been presenting the ACU English revision workshops since 2024.

Micheal E Daniel
English as Second Language (10 July, 1pm)

Michael has taught EAL to Years 11 & 12 students for over 20 years in a Victorian school. He has delivered various lectures and workshops for to EAL teachers and students for a number of years. Michael is also the co-author of a number of EAL textbooks published by Insight Publications. Micheal has been presenting the ACU EAL revision workshops since 2015.
