Around the Grounds

6A

For the second week in a row the boys were up by 50+ at halftime despite having a few players out. Despite having a few less players on the field the boys continued to score in the second half. Well done boys!

6B

The 6Bs had a slow start to their game down by 17 heading into the second quarter. A strong second quarter meant that the boys closed the gap so they were tied at halftime. An even stronger second half saw the boys take the lead and win the game 45-19.

6C

Fantastic team effort by the 6Cs today who walked away with their first win of the season. Each and every player left everything they had on the field but most importantly they showed their sportsmanship cheering on both their teammates and the opposition.

5A

The boys were exceptional today, as they showcased their growing ball skills and game knowledge. Through dedicated practice and teamwork, they've matured quickly as young athletes.

5B

The scoreline isn't reflective of the courageous effort displayed by all 15 boys today. After a tough start against an older opposition, the boys were able to hold their own by the final quarter - a real positive to build from into next week.

5C

The boys were extremely impressive today, as they dominated across all positions to hold the opposition scoreless. Their relentless tackling and exceptional ability to turn defence into attack earned them a well-deserved win.

5D

The 5Ds had a strong game keeping the ball down their end and fighting hard for the goals they earned. Continuing to work together as a team and form some great sequences down the field.
