Dear Parent/Guardian

**RE: Enhancing Catholic School Identity (ECSI) Survey.**

I write to invite you to participate in the ECSI survey which will assist us in better understanding how our Catholic Identity is expressed in work and practice here at Our Lady Help of Christians.

The Catholic University in Leuven has designed a process and tools, based on sound research, to accomplish the goal of understanding our current Catholic identity and where the school community might like to see itself in the future.

The ECSI survey is a key element in this process and I write to request your participation. The online survey gathers responses from students in Years 5 and 6, all staff, and a representative sample of parents.

You are asked to complete the survey online; it may take you up to an hour to do so. Try not to get caught up in the questions, simply respond intuitively.

Keeping a record of your individual User code and Password will allow you to complete the survey over two or more sessions.

The survey is only available through the project website; please refer to the 'Instructions for Survey Completion for Parents'. Your responses to this survey are guaranteed to be kept anonymous. **Password: Ghj654**

**Survey Access Code: Qu1889**

If you have any questions, please reply to this email and we will respond as soon as possible.

Thank you for your consideration of this request and for your anticipated participation.

Yours sincerely

Rudy Vail

## Enhancing Catholic School Identity

### General instructions for survey completion for parents

**Thank you very much** for making time to participate in the Enhancing Catholic School Identity project. The purpose of this survey research is to gain meaningful insights into how your son or daughter's school views its Catholic identity today and how such identity might be shaped for tomorrow.

Everyone's input is important.

Your participation should take about **55 minutes**. It's best to finish the survey in one shot, without having to come back later.

Your responses are anonymous and your personal data is treated confidentially in accordance with ethical and legal guidelines.

Only you will be able to view your individual results and this can be done once you've completed the questionnaires.

*Keep these best practices in mind:*

- ✓ **Answer spontaneously and don't overanalyse.** Your input is more valuable if you respond with the first thought that comes to mind. Plus, you'll proceed faster.
- ✓ **Choose the response that honestly matches your opinion.** Don't hesitate to select "strongly agree" or "strongly disagree" if that's in fact how you feel.
- ✓ **Respond as best you can to each question as it is worded.** You may feel that some questions don't fully apply to your school environment. That's OK; just respond as best you can.

*It's also helpful to keep in mind:*

- ✓ **Many questions ask you for two perspectives:**
  - "My son/daughter's school" as you actually see things today
  - "My ideal school" as you would like to see things in the best future scenario
- ✓ **Some questions might seem repetitive; but they're actually not.** There's a scientific purpose behind the ways in which the questions are formulated. Every question counts.
- ✓ **Trust that the survey as a whole will accurately capture your personal point of view.** Even if you struggle to respond to some individual questions, it's important to complete the entire survey.
