

Plastic Free July workshops

Join environmental sustainability consultant, John Rbeiz, at our three-part workshop series and learn simple tips to reduce your waste.

During Plastic Free July, we want to encourage our community to reduce our plastic waste.

Plastic never breaks down so avoiding non-recyclable plastic will help prevent landfills filling up and making pollution.

Creating new habits is a great way to reduce your waste and small changes by everyone can add up to a big difference!

Part 1: Introductory session

Monday 20 June

6.30pm to 7.30pm
Online event

Learn how to embrace a low-waste lifestyle in four easy steps!

Part 2: Four steps to low-waste

Monday 27 June

6.30pm to 8pm
Maroondah Federation Estate
32 Greenwood Avenue, Ringwood East

Learn how to develop your own low-waste plan to achieve a zero waste life!

Part 3: Check-in session

Monday 4 July

6.30pm to 7.30pm
Online event

It's nearly a week into Plastic Free July. Come along and share your wins and challenges with others!
