

NEED TO SEE THE NURSE OR DOCTOR?

Our doctor and nurse are back on site from Monday 8th February.

Please make an appointment via Kim - her office is next to the Principal's office (Ms Atzarakis). Alternatively, you can email kimberley.charles@education.vic.gov.au or let your teacher know that you would like to make an appointment with the doctor.

To be COVID-safe, we have to limit the number of people in the doctors in schools portable. You can no longer walk in. Please ensure you make an appointment using the process above.

Your Doctor is: Dr Bal

Your Nurse is: Jess

Please make an appointment even if you just have a few questions... we are glad to help and looking forward to meeting you :)
