Around the Grounds

6A

Hunt the ball, win the ball, the team did this very well today - genuine desire with some belief. A wonderful team effort, all boys are developing vision, composure and execution under pressure.

6B

Thankfully the weather held off for a hotly contested game of football. The boys showed great composure in what was at times a scrappy game, shining in defence. Hawk and Will playing great shared ruck roles opening the game for the small boys who were spectacular on the ground ball gets and clearances. It was a hard decision for best on ground players when every player gave 100% for 100% of the game. Great effort boys and well deserved. Special mention to Ben for one of the best chase down tackles I've seen in an AFL game, absolutely textbook!!!

6C

Good effort from the boys. Good pressure around the ball and great tackling. What let us down was defensive effort and marking up. Looking to improve on that this week at training.

6D

After absorbing loads of pressure and energy towards the game, Flynn Young was the stand out today as his dominant skills came out on the field today. Banging 2 goals as a mid, brilliant tackling, teamwork and commitment to get that ball was the reason of his performance. All though the boys dug in the whole game, the tough opposition of Padua came out on top by one goal. Even with the loss, the boys should be proud of their efforts today.

5A

The boys put on an absolute clinic today in round 2. The teamwork and leadership were there to be seen by all! It was a coach's dream!! Picking the best players was the impossible task. However, with 3 goals and a million-jaw dropping sidesteps Parker Brennan was awarded best on ground. Very closely followed my Josh, Maxy and George who all stood out. The boys have already started to turn their focus to next week and keep the momentum going! A great result.

5B

Marist showed great effort and resilience in a hard-fought match with SLC. SLC came out very strong in the first quarter, scoring most of their goals. We kept the second very even with our pressure and ended up outscoring SLC in the third quarter. Although SLC finished strong in the final quarter to win, our team showed great determination and teamwork right to the final siren."

5C

Not even the rain could deter the 5Cs today! The boys started strong and maintained their energy throughout the game. Some excellent kicks covered a lot of ground, keeping the ball in the forwards and giving the boys many opportunities to score. Overall, a very well-earned victory.

5D

Elijah Singh opened the flood gates in the first quarter, with 2 goals. This form encouraged the team to play attacking football, adopting a catch and boot style of play to ensure constant pressure on St Laurence's C team. Captain Billy McDonald incorporated the complex tactics, constantly urging more from his side. Ultimately, Laurie's were presumably no match for the mighty Ds, as Flynn Julicher ran through the entire team, ensuring a 61-22 win.
