WHAT'S BEEN HAPPENING

Dear families,

We've had another wonderful week at Team Kids! The children have been full of energy and enthusiasm, and it's been lovely to see them enjoying their time together. Our Team Kids Big Play Date was a huge success—lots of smiles, teamwork, and imaginative play all around.

Looking ahead, we're keeping the fun rolling with a range of activities next week, including gingerbread cookie decorating, clay modelling and Disco dancing. We can't wait to see the children get creative and enjoy these hands-on experiences.

As you may know, we will not be picking up Grade One students next year. To help our current Preps prepare for this change, we will begin guiding them to make their own way to After Care during December. Our educators will walk behind them to support and supervise as they learn this new routine. This gentle transition helps build confidence and independence while keeping everyone safe. If you have any questions or would like to chat further, please feel free to reach out to us at any time.

Wishing you all a safe and happy weekend! 🌸

Warm regards,

Eric

Director of Team Kid Before and After School Care
