

Title of funding proposal	Sustainability Schools Shop Registration for a third year
Proposer's Name	Adrian Sims (2022 Head of Sustainability)
Date	Retrospective approval (Invoice paid February 2022 during Covid lockdown)
Description of Asset/Event to be purchased/ supported Attach further information if required	Sustainability Schools Shop Registration for all College Families for a third year
How does the proposal support the objectives of the Association?	The proposal supports the Associations' objective of providing material assistance to the College by providing parents and families of the College with a stress free, cost effective and flexible way to buy and sell school uniforms and other school resources in a manner that enables them to find what they are looking for in a targeted manner. It will also provide improved opportunities to recycle many types of items in keeping with the College's commitment to sustainability.
Can the item be labelled as a PA asset/event? If yes, then how?	The service is advertised regularly in the College newsletter as being provided by the PA for the benefit of Families at the College.
Will the College own the asset or run the event?	No
What is the capital investment required (ie cost) Attach quote/estimate	One year subscription to the service - \$1,250 <b>Total Cost: \$1,250</b>
What is the annual maintenance cost?	Annual fee of \$1,250 (GST Inc) There is no fixed contract and the school is free to stop at any time.
Which student years will benefit?	K-12
In the case of an asset, which College staff will be involved in managing and/or maintaining the asset? In the case of an event, which College staff will be involved in the running (if any)?	Not managed or maintained by College – the Uniform Shop determines what items are available for resale on the site. Excellent telephone and email helplines are provided by Sustainable School Shop for parents to contact them (not the school) should they have a question or be experiencing a problem.
How has the value-for-money guideline been met? (eg preferred supplier, three quotes etc)	The cost proposed is an appropriate price for the goods/services and is being successfully used by more than 400 schools across Australia.
