## Around the Grounds

### 6A

Unfortunately, the 6As went down in a nail biter (that’s if you could still feel your fingers) to Iona 1-0. Countless attacking tirades came to a halt at the hands of the Iona keeper. Quinn Lovering had a shot cleared off the line and Riley Peacock went close from long range but it just wasn’t to be.

### 6B

A windy Wynnum provided the scene for a tough encounter against an Iona side full of grit. The 6Bs tried with all of their might to find the back of the net but all efforts were thwarted by the opposition defences. We’ll learn from the draw and continue to strive to improve for next week

## **6C**

The first half of this match saw Jack Rosenberg save a number of would-be goals from Iona. Rafa Gonsalves pocketed an incredible goal in the back corner of the net from 15m out. Although we lost 3-1, the boys did a wonderful job of keeping the pressure on Iona at all times.

## **6 Gold**

The game started so well, with two quick goals to Archie Langler, one from a beautiful assist by Jack Marshall. Iona then woke up and put pressure on the young men of this team, eventually scoring their second goal, the equaliser, just before half-time. Aidan Griffiths had his best game of the season working really hard at both ends of the field and Joe Richards again showed his strength in the mid-field. Nik Vavra-Quintanilla relished being in the striker role, with lots of great forward movement by him creating so many scoring opportunities. The kick and chase today was brilliant for most of the game and our swarm of Bumble Bees put constant pressure on the Iona defensive line in the second half, unfortunately we just couldn't get the ball into the back of the net. The aim is to continue with this pressure next week.

## **5A**

The 5As had a very tight game with Iona. A game of two halves, the team was unlucky not to come away with a late equaliser and winner, hitting the post multiple times. Cormac Deady showed class and composure with another long-range finish.

## **5B**

In their best performance of the season the boys strung some great passes together threatening the goal before Dre Ibrahim managed to put one in the back of the net. The boys continued their dominant performance to end up winning the game 4-1. Good work boys!

## **5C**

Following Year 5 Camp, the Marist boys were running low on energy, but did well to get themselves a 2-0 lead at halftime. The match was dominated by Marist, however Iona's goalkeeper kept them in the match, continually saving shot after shot. Our own defensive efforts were outstanding, only leaking one goal late in the game.

## **5 Gold**

5 Gold started strong against Iona on Saturday with some resilient defence keeping the halftime score at 0-0. Some defensive lapses including a handball penalty saw Iona pull in front, and although Marist came back with some good attacking plays, the game finished at 0-2.

## **5 White**

The 5 Whites continue to show improvement at both ends of the football field. Tom Corby had a great game in the midfield and with no subs he didn't stop running for the entire match. Ben Mason kept our defence rock solid running out of the back line shutting down and cleaning up Iona's attack.
