WHAT'S BEEN HAPPENING

Hello Families ☺ Welcome back, we hope that everyone had a great break!

We have hit the ground running here at TeamKids, children have been big into construction and imaginative play with the flavour of the month being Cars and Restaurant play. From creating signs for the restaurants to witches hats, our craft table has been getting the most use as children use their imaginations to see what they can create.

Our new preps have settled in well, with all their little personalities on full display. We have loved hearing all their thoughts about school.

If you have any questions or just want to have a chat, please either contact us during service hours or come in and have a chat!
