## Tankard Dental Trainee Dental Nursing Position

Tankard Dental is a modern 11 surgery dental clinic located in Mildura, however we also have clinics in Ouyen, Robinvale & Red Cliffs.

We are currently looking for a trainee dental nurse who is wanting to gain practical on the job experience, whilst receiving extensive training (and a certificate 111) in Dental Nursing done through Bendigo Tafe. (no travel required)

Dental Assistants assist the dental operator with the treatment of patients procedures including suction, mixing of materials, maintain the cleanliness and infection control standards required in the clinic area. Other duties include processing of x-rays, cleaning of instruments and equipment and also providing information to patients as directed by the dentist. General administrative tasks include greeting patients and entering patient details in their records.

We are looking for a team member who:

- has great communication skills and a willingness to learn
- loves working with people and exudes sincerity, warmth & confidence
- has an ability to think ahead and prioritise
- has the ability to multi-task efficiently and are organised with excellent time management skills
- are hardworking, self-motivated and excel in a fast pace environment

Please contact Giselle Ryan, Practice Manager at Tankard Dental, 50222933 or email [giselle@tankarddental.com.au](mailto:giselle@tankarddental.com.au)
