

2022 Girls' Big Day Out

Student registration package

Dear student,

We look forward to your participation in the GIRLS' BIG DAY OUT event to be held on Tuesday 23 August at The Gordon, East Geelong Campus.

Please find accompanying this letter a description of event activities and activity requirements, as well as two (2) pages that need to be completed by you and your parent/guardian.

Please complete **THE RETURN SECTIONS IN FULL**, obtain parent/guardian signature and return by your school's RSVP date:

Please note:

- Incomplete, unsigned or late forms may not be accepted.
- Lunch will be provided on the day, however, students are asked to please **bring their own drinks and snacks for morning tea**.
- Appropriate clothing/shoes **must be** worn and will be strictly regulated (see conditions next page).

Privacy Statement

Personal information gathered for The Gordon Girls' Big Day Out will only be used for the purpose of this event and will not be used for any other purpose.

2022 Girls' Big Day Out

KEEP THIS SECTION

Activity requirements and notes

As you are undertaking practical activities, it is important that appropriate shoes and clothing are worn at all times during the day to ensure Occupational Health and Safety (OH&S) standards are met.

As such **ALL** students will be required to:

- Wear closed in shoes/boots
- Clothes that can get dirty.
- Long hair securely tied up.
- Gloves for hand protection during horticultural activities

We will try to place students according to their activity preferences; however this is not always possible.

Activity descriptions

Horticulture

An introduction to Horticulture and it's related trades in turf management, garden design and maintenance, retail nursery and more!

Plumbing

The plumbing system is one of the important systems of houses, offices, and buildings to keep us healthy and safe. This is your chance to learn the basics of a day in the life of a plumber.

Information Technology

Information technology (IT) is the use of computers to create, process, store, retrieve, and exchange all kinds of electronic data and information. Learn about the systems that work behind your screen to make this happen.

Engineering

Engineering is an occupation which covers many fields and skills. Engineers are scientists, inventors, designers, builders and great thinkers. They improve the state of the world, amplify human capability and make people's lives safer and easier.

2022 Girls' Big Day Out

Cabinet Making and Joinery

Good, skilled carpenters are sought out for specialist furniture making and kitchen and bathroom furniture making. Learn the basics of this important and creative trade.

Building and Construction

The construction industry is one of Australia's largest industries. Learn about the creation and maintenance of all kinds of buildings.

Electrotechnology

Electricians have the specific expertise required to install and repair electrical systems. They design, assemble, install, test, commission, diagnose, maintain and repair electrical networks, systems, circuits, equipment, components, appliances and facilities.

Automotive - Paint and Panel

Panelbeaters repair damage to the body of cars, trucks and other vehicles. They work with metal, plastic, fibreglass and paints to fix damaged panels or create new replacement panels.

Automotive - Mechanical

Automotive Mechanics (also known as Auto Mechanics) maintain, test and repair petrol engines and the mechanical parts of motor vehicles. This may include identifying faults and ensuring the smooth function of transmissions, suspension, steering and brakes.

2022 Girls' Big Day Out

RETURN THIS SECTION
