RE: **UCAN2 – Empowering Women & Girls in Bocce
Open Training Evening**

Dear Valued Organisation,

We are excited to invite your organisation and the women and girls you support to our **UCAN2 – Empowering Women & Girls in Bocce Open Training Evening**.

This new program by Bocce Victoria was created to give women and girls the chance to try something different – a sport that is fun, inclusive, low-impact, and open to all. Whether you're looking to stay active, meet new people, or work towards a goal, bocce is a sport that welcomes everyone. You can play socially, enjoy casual competition, or aim to represent your state or even Australia one day.

The UCAN2 program came to life through the support of the Federal Government's *Play Our Way* grant. It was built on the idea that sport should be safe, welcoming and accessible for all women and girls, no matter your age, ability, background or experience. This open evening is a fun way to explore bocce in a relaxed, supportive space.

Our Sports Development Coach, **Philippe DeSousa** (visiting from France), along with our **Community Engagement Team**, will run an engaging training session filled with movement, laughter and connection. The session will include fun circuit-style training and skill-building activities, designed especially for beginners – no equipment or experience required!

Date: Tuesday 29th July 2025

Time: 7:00pm – 9:00pm

Location: Casa D'Abruzzo Club, 55 O'Herns Road, Epping

Cost: Free event for all women and girls – no experience needed!

We'd love to see women and girls from all walks of life join us. Whatever your story, culture, faith or ability – you are welcome.
