STUDENT REQUIREMENTS FOR EXAMINATIONS

1. Students who know that they are unable to attend any examination must see the KLA Co-ordinator **before** the examination period and make arrange alternative arrangements. Included in this procedure is the completion of the Request for Alternative Exam Time form. Failure to attend an examination will automatically result in a **ZERO** being awarded for that paper unless prior alternative arrangements have been made or notification occurs.
2. Students who are sick on the day of an examination must ring the College **before** the commencement of the examination. They are also required to complete a Request for Alternative Exam Time form and attach, to that form, medical evidence of their illness. Failure to attend an examination will automatically result in a **ZERO** being awarded for that paper unless the College has been contacted.
3. Students are required to be in attendance at least **15** minutes prior to the commencement of each examination. Note carefully the **starting** and **finishing** times of each examination.
4. Students are responsible for correctly reading their examination timetable.
5. Students will not be permitted to leave an examination early.
6. Students are not required to be at the College during the examination period unless they are scheduled for an examination.

8. Students are reminded that there is to be no talking or other communication between students in the examination room.
9. Writing paper, graph paper and manuscript will be provided for students.
10. Students are expected to provide all other requirements such as pens, pencils, eraser, ruler, stapler, etc.
11. Students are not permitted to take any materials into the examination room unless specified for use in the examination.
12. Students will not be permitted to borrow equipment during the examination.
13. Students must provide a calculator that is in good working order for subjects that require the use of a calculator. Equipment failure is not a sufficient reason for borrowing of equipment.
