

## What's been happening...

### FOMO CLUBS ARE BACK!

We are very excited to Inform you that we have been Implementing some very exciting and engaging activities at OSHCLUB.

The children got to select what clubs we would offer this term during our Kids Catch Up meetings which we hold every week. We couldn't decide so we chose to do three. Art Masters 2.0. Science Squad and Dance Club. So far, we have been having a great time participating. So far, the overall favourite is our Dance club. Surprised we haven't had any noise complaints. The children create their own playlists as a group and then proceed to teach each other different dance moves. I must report that everyone has had a go regardless of their ability. The children don't know this yet, but I am planning to bring out my old favourite dance the (Bus stop back). I wonder If I get any Interest?

We have also been busy with rearranging the room, displaying new artwork, and creating a space that suits all the children's needs. We have also conducted two emergency drills during before and after school care. the children were very cooperative and understanding of what was expected from them and the reasons behind such an Important exercise. It's fantastic to see our numbers growing each week and the children's enthusiasm when they are here.

We would also like to congratulate all the children who were nominated to represent our beautiful school and community. We are sure you will all bring something special to our school. We hope you all have a wonderful week.

Dance club OSHClub style!

Thank you, Frank,  
for keeping our  
playground and  
surrounding areas  
looking so  
beautiful!

## Coming Up

Mar

Dance Club

## Special Announcements

### New Rebranding ....

We have had a makeover recently and our uniforms will be changing too!!

Can you guess the colour?? All will be revealed in a few weeks :)

## Quality Area Reflection

Managing Compliance within the Service & Professional Code of Conduct.

We will be focusing on and reviewing the above quality areas within our program and sharing this information with all our educators.

Please feel free to pop in for a chat or have your enquiries answered. Perfect opportunity to meet the educators and have a tour of the service.

The Program.

Reviewing our Programming Guidelines and the approved Learning Frameworks utilised in our Service. Managing Compliance within the Service.

## OSH News

### SunSmart at Oshclub.

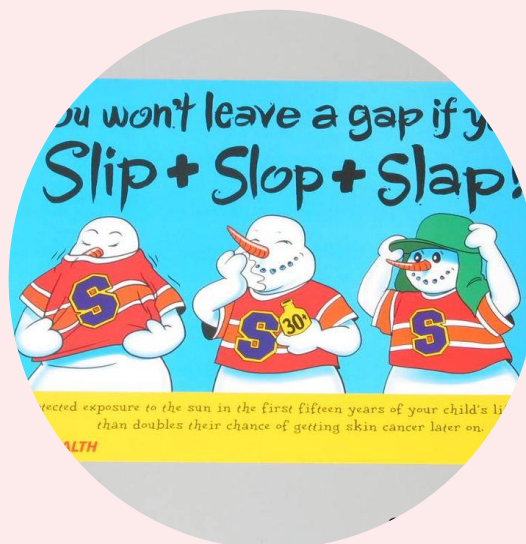

Just a reminder to all parents that it is Term 1, we will require all children to wear a hat, sunscreen, and drink plenty of water whilst they attend OSH for both Morning, and Afternoon sessions.

This is because we follow the SunSmart model both within the program, and the policies of the company as well.

Hence, the children will need to slip, slop and slap on the sunscreen, be SunSmart and be aware of the daily UV rays as well.

Please note, that if you have a specific brand of sunscreen that you use, please provide it otherwise we will be having the children use our own SPF30+ sunscreen sourced from Coles.

Thanks.

## Coordination Corner

Just a quick thank you to all our wonderful families and their beautiful children for making our program feel like a home. We appreciate you taking the time to chat when you all lead such busy lives. Big Thank you to Chloe for donating her beloved toy car with all of us to share. Such a thoughtful and generous act of giving.

## Recipe

### Fire Works in a Jar

Fill the jar with 3/4 warm water.

Add 4 tablespoons oil

Add few drops of different coloured food dye.

Wait and watch the fireworks.  
(Don't stir the mixture).
