

A CHANGE TO YOUR SCHOOL BUS SERVICES

It is with great disappointment that we share with you the news that Transdev has not been successful in our bid to continue to operate the Melbourne Bus Franchise.

From February 2022 a new operator, Kinetic Melbourne will take over the operation of school bus services for your school community.

We are already working closely with the team at Kinetic to ensure a smooth transition; students and parents should not notice any changes to school bus services for your community.

2022 SCHOOL TIMETABLES

Please note that 2022 school timetables will be unchanged. School Bus Services Timetables for next year will continue to be available on our website for parents and students until the end of January 2022 and can be found here: <https://transdevmelbourne.com.au/school-bus-timetables-pdfs/>

CHARTER REQUESTS

If you'd like to arrange a charter request beyond 31 January 2022 please contact the team at Kinetic at welcome@wearekinetic.com.

2022 SCHOOL TERM DATES

Please email 2022 school term dates and student free dates to Kinetic at welcome@wearekinetic.com.

If you have any further enquiries regarding school bus services in 2022, please contact Kinetic.

It has been a pleasure to serve you and your school community over the last nine years, and our team of Journey Makers have loved helping your students get to and from school safely.

Thankfor being a part of our journey.

Stay safe,
Transdev Schools Team
