Dear Parent/s,

Each term teachers plan, activities that enrich the learning experience for students. These activities incur a cost. Apart from extra-curricular activities such as Camps and Swimming it is expected that these will be the only curriculum costs for families this term.

In Term 3 your child will be participating in:

- Scienceworks on 23rd August
- Production 4th September (Cost was included in Term 1 & 2 levies. Permission to follow early term 3.)

Please find below the Term Three payment slip for enrichment activities for your child's class.

We have introduced the option to make payments via Sentral. This is a convenient way to make a single payment for your child's activities. If you require the ability to use an alternative payment method please contact the office. To make the payment via Sentral from the Home Page you will need to use a credit card. You will see:

The screenshot shows a 'Payment required' notification for 'Term 2 Junior Termly Activity Payment' posted on Tuesday, 26th March 2019. The notification includes a 'Requires Action' button and a 'View Details' link. A box labeled 'Click on' points to the 'View Details' link. The details section lists the event, date, price per student (\$25.00), and a description of the activities. Below this is a 'Students' list with a 'Click on' box pointing to a student's name. To the right is a 'Confirm Legal Name & Email' form with fields for Legal First Name, Legal Surname, and Legal Email, and a 'Confirm' button.

Thank you for your cooperation.
