## Around the Grounds

---

### 6A

Marist 6A produced a vastly improved performance from last week with good line and length bowling from all bowlers...this was backed up by excellent fielding. A number of good catches were taken and the outfielding and throwing were particularly precise.

Captain George Swan (Wicketkeeper) was instrumental in setting the fielding standards.

Special mention to Angus Hutchinson for a great stint of spin bowling which saw him collect the most respectable figures of 4/5 off 2 overs...at one stage Angus was on a hat trick. Angus Graham also bowled a very tidy stint with figures of 1/1 off 2 overs...along with great bowling from Harry Gerraghty with figures of 1/0. The bowling platform was set by our opening bowlers George Bond 1/6, Harry Gerraghty 1/0 and backed up admirably by our first change bowlers Noah Newman and Will Davies.

Chasing a moderate total set by St Peter's our opening batsman George Swan and Harry Gerraghty got Marist 6A's off to a very sound start...with Harry Gerraghty(not out) scoring a rock solid 8 runs from his 12 deliveries. After the fall of 3 quick wickets Charlie Maclean and Noah Newman steadied the ship...with Charlie Maclean putting in a superb performance in reaching 17 not out. Charlie was well supported by Henry Dwyer and Will Davies who made a rapid fire 9 runs.

Marist 6A secured a comprehensive victory over St Peters, however, the team is fully aware that there are still areas to work on as we focus and look forward to playing next Saturday.

### 6B Blue

"In an exciting local derby between Marist's 6B Blue and 6B Gold teams, the Blues set the tone early with a fast-paced innings, attacking from the very first ball. Openers Raf Cienfuegos and Chase Richardson led the charge with some clean hitting, while aggressive running between the wickets saw eight batters retire. The Blues capitalized on their strong start, posting a substantial total of 193 runs in their first innings, which was a challenging target for the Gold team.

The Golds, not to be outdone, came out with intent during their chase. Leighton Mahoney and Clancy Schmidt started strongly, applying immediate pressure on the bowlers and the fielders. However, the turning point came when Harrison Davis took a spectacular catch, halting the Golds' momentum mid-innings. From that moment on, the Blues dominated the field, with Sam Wiggins bowling consistently, picking up two crucial wickets. The combination of tight bowling from Liam Tamer and Lucas French further slowed the Golds' run rate, making the chase even tougher.

Despite their early aggression, the Golds found themselves struggling to reach the target as the pressure mounted. With their fielders taking crucial catches at key moments, the Blues were able to restrict the Golds to 125 runs. Ultimately, the Blues' impressive first innings total proved too much for the Gold team to overcome, securing a solid victory in this thrilling local derby."

### 6B Gold

After winning the toss and electing to bowl on a rain soaked wicket, the boys were in high spirits to defeat the 6B Blue in the famed "B off". A few early boundaries from the batting side put a dissatisfied taste in the opening bowlers mouth. After 11 overs of no wickets and many retirees a break through wicket by Tom on his second over reignited the passion in the boys. A few more overs of consistent bowling helped slow the run rate and bring a couple more wickets including an exception caught and bowled by Pat and a catch behind the stumps from Tom.

Some sloppy fielding and unlucky chances helped the batting side put on an impressive 193 in 25 overs a daunting task for the in form 6B Golds.

With the total needed weighing on their minds the opening batsmen went out with a mission with 2 boundaries from Clancy in the opening over the defending side looked worried. A strong opening partnership from Leighton and Clancy saw a mix of restraint good defence and opportunistic attacking that helped keep the required run rate.

A retiring for the first time Leighton opened it up for the rest of the top order to have a hit. Both Clancy and Rueben bashed the ball around the park helping the totals only to be caught by great catches on their respective last balls.

With 64 runs after the first 8 overs the total of 193 seems entirely possible. But the pressure had been put back on the middle order.

A long stint by Finn helped keep the boys on track but strong bowling slowed the run rate and held them in a standstill. After retiring Ben came out swinging with a vengeance, an early four looked promising but alas cut short by expert catching from the Blue side.

With the tail holding on strong to not lose their wicket the run rate decreased and the goal looked more and more towering. With 4 overs and 80 runs needed the retirees returned to have a smack. Once again dismantled by a catching effort not seen at this age.

Falling short by 58 runs the boys put in a great effort for the best batting total this season. A thrilling clash and a great game at the end Marist is the winner but 6B Blue hold the cup for the “B off” ... for now

Great game fellas till next week

### **6C Blue**

Marist 6C Blue continue their strong start to the season with another convincing win. The boys again chose to bowl first and applied early pressure, making Laurie's work for every run. An outstanding 1st innings performance limited Laurie's to just 50 runs, with Thomas Stevens (1-2) and Clancy Heenan (1-4) being the standout performers with the ball.

However the boys didn't stop there with an equally as good batting performance. There were many boys who continued to the runs, with the highlights being Flynn Boucaut's quick 10\* to set the tone early and Jack White top scoring with 16\*. Overall, it was a fantastic team effort, with the final score being, Marist 6C Blue 2/103 (14 overs) def. St Laurence's 6C 6/50

### **6C Gold**

Marist 6C Gold put on a dominant performance, defeating ATC 5/6B 124 to 43 in a fantastic team effort. The boys showed great improvement from last week, halving their number of wides and no balls. The bowling attack was strong, with several players delivering maiden overs, including Jovi Zanre, Charles Chesterman, Oscar Symonds, Thomas Cairns, Jake O'Ryan, and Liam Mortimer, who claimed two. Oscar Symonds set the tone early with a brilliant bowl and catch in the first over. With the bat, Jake O'Ryan impressed with three 4s and remained not out, while Lucas Nightingale led the scoring with two 6s and two 4s. A well-earned victory, driven by enthusiasm and teamwork!

### **6D**

6D displayed improvement in bowling during the game. Man of the match was awarded to Emerson Maxwell and Henry Johnson. Emerson continues to impress with his bowling ability and Henry achieved our only wicket and had no runs scored on him. Moving forward the team are working of maintaining positive communication during the game.

## 5A

Marist 5A continued their strong start to the season with a commanding victory over St Peter's 5A, chasing down the target with ease to secure a five-wicket win.

Excitement was high as the Marist boys had the opportunity to play on turf, and after winning the toss, they opted to bowl first. Their decision proved effective as the bowling attack struck early, reducing St Peter's to 6/30 within the first eight overs. James Graham (2/3) and Jack Mannix (1/0) led the charge with disciplined spells, applying relentless pressure. However, a slight drop in intensity allowed St Peter's to regain some footing, pushing their total to 65 before being bowled out in the 20th over.

Batting conditions proved tricky, with St Peter's struggling for line and length, but Marist's top order remained composed. Ryan Noronha (25\* off 17) anchored the innings, while Jack Mannix contributed a brisk 17 off 14 balls to see Marist reach the target in just 10 overs.

In a great show of sportsmanship, St Peter's continued to bowl out their overs, allowing Marist valuable batting practice as the team continues to build momentum this season. With each match, Marist 5A is growing in confidence, working well as a unit, and showing promising signs for the challenges ahead.

## 5B

The Marist 5Bs secured a dominant win, though unfortunately, St Peter's fielded a weaker side, which limited our opportunity to play our best cricket.

After winning the toss, we bowled first and put in a strong fielding performance, highlighted by a great catch from Beau Dwyer. Everyone bowled significantly better than last week, adopting a "you miss, I hit" mentality and dismissing the opposition for just 24 runs. The most improved bowler this week was Winston Nolan getting a 3 wicket maiden.

With such a low target, each batter faced 10 balls, though there were a few wides in the mix. A key area for improvement this week is running between the wickets, as many scoring opportunities were missed. Nevertheless, we chased down the total comfortably and look forward to facing stronger opposition in the coming weeks to truly test our ability and play some quality cricket.

## 5C Blue

The battle for the title of 'the real 5Cs' took a hold of the Flats on Saturday morning. There was a thrilling competition with high stakes at play, resulting in an entertaining game for all.

The 5C Gold team came out strong. Performance all round was impressive from the batsmen, especially from young guns Hugo Danckert and Patrick Rose-Diamond. But the 5C Blues found their groove, and after some inspirational bowling from the likes of Liam Carman and Harvey Coronas, got the Gold team all out for 57. Special mention to Jonty Lee, for earning himself the infamous title of J-Man.

The Blue team then came out and continued this good form, and despite impressive efforts from Harry O'Shea and Hugo Danckert in the bowling department, the 5C Blues chased them down after only 6 fallen wickets.

Great effort from both teams and an exciting match to watch. Good signs for the season ahead for the 5C teams.

### **5C Gold**

Great effort from both teams and an exciting match to watch. Good signs for the season ahead for the 5C teams.

### **5 Violet**

A great all round performance from the boys saw us take victory over Villanova. A shout out to James McSweeney for his spectacular wicket keeping taking three wickets from behind the stumps.

An impressive improvement across the board from the boys in the bowling saw us victorious taking 8 wickets to seal the game.

### **5 White**

It was a beautiful morning for cricket as the Year 5 White team took on Padua at Melrose Park. The boys were eager to get stuck into the game and showed great enthusiasm from the start. Bowling first, the team displayed noticeable improvement from last week, with a particular highlight being their teamwork throughout the day.

The energy in the field was outstanding, with plenty of positive chat, encouragement, and great communication between players. Special mention goes to Lucas and Sam for their excellent bowling efforts.

When it was time to bat, the team put in a solid performance. However, the standout of the day was Henry Trebbin. Opening the batting, he remained not out for the entire innings, making several runs and showing fantastic game awareness. His ability to find the right moments to run between wickets and his strong communication with his teammates were impressive.

Overall, it was a great team effort, with every player contributing to the game. Henry Trebbin was deservedly named the man of the match for his outstanding performance. Well done to all the boys, and we look forward to next weekend’s game!

Coaches: James Trebbin & Matt Gibson

## Internal Cricket

### Match 1

It was a hot Friday afternoon at McMahon Oval, but that didn't stop the Internal cricket boys from enjoying a great game of cricket. Anderson Wild was the standout batsman, using his powerful baseball-style swing to score some impressive runs.

Harry Martin led the bowling with two wickets, while George Gray, Ben Cipriano, Harry Walker, and Nate Baldwin each took one, keeping the boys under pressure.

Overall, it was a fun and competitive match, with great efforts from all players. Well done, team!

### Match 2

It was another fantastic afternoon at McMahon Oval, where the Internal cricket boys showcased their growing skills and passion for the game. Charlie Herbert was outstanding with both bat and ball, taking 4 wickets and scoring 11 runs off 12 balls. Oliver Davis also had a strong performance, claiming 3 wickets and adding 9 runs off 12 balls. The batting duo of Finlay Given and Fraser Sweeney was in top form, combining for 27 runs off 24 balls. In the field, Ned Hallo, Remy Taylor, James Clark, and Tom Collins put in a great effort to support the bowlers. Overall, the team put in a fantastic effort. Next week, we'll continue to focus on our bowling accuracy.
