The Impressionists

Monet, Degas, Caillebotte, Morisot, Cezanne, Van Gogh, Renoir
Weeden Heights Primary School

Understand this era of Art and develop appreciation of the technique and the times of these artists whose work is exhibited in the most important galleries in the world. How did the times and places they lived in affect the way they painted. What is a “plain air” painter? Try your hand at using these same techniques to paint your own masterpiece. Develop your own art skills and knowledge of art so that you can do better presentations, better projects, have more fun with art activities, get increased pleasure from the quality of your own work and be able to critically evaluate art from this period. All materials included.

YOU DON'T HAVE TO BE AN EXPERT ARTIST, JUST COME WITH YOUR IMAGINATION!
