

## Tuning into Teens

### Emotionally Intelligent Parenting

*A free six-session interactive online parenting group  
for parents and carers of tweens and teens*

Please note: To be eligible to participate in this program you must reside in Banyule, Nillumbik, Darebin, Yarra or Whittlesea

#### Would you like to learn how to:

- be better at talking with your teen?
- be better at understanding your teen?
- help your teen learn to manage their emotions?
- help to prevent behaviour problems in your teen?
- teach your teen to deal with conflict?

*Tuning into Teens* shows you how to help your teen develop **emotional intelligence**. Adolescents with higher emotional intelligence:

- are more resilient - this means change and stress are easier to deal with;
- are more aware, assertive and strong in situations of peer pressure;
- have greater success with making friends and are more able to manage conflict with peers;
- are more able to cope when upset or angry;
- have fewer mental health and substance abuse difficulties;
- have more stable and satisfying relationships as adults;
- have greater career success - Emotional intelligence may be a better predictor of academic and career success than IQ!

#### Feedback from previous participants:

- “The program far exceeded my expectations. I liked that it was very interactive/practice-focused and not just a bunch of information being delivered”
- “I honestly think it’s been a game changer. I learnt a lot about myself as a parent.”
- “I found I have felt more confident in times of conflict, I haven’t felt as stressed when my teen is upset”
