

Are you an athletic / multi-sport girl, born in 2002, 2003 or 2004, who is interested in playing AFLW?

If so, the Sandringham Dragons female talent search is for you! This talent search aims to identify more junior female athletes who are currently **not playing football** and are interested in giving football a shot.

Who are the Sandringham Dragons?

The Sandringham Dragons are one of 13 regions who participate in the newly branded NAB League competition. The NAB League (formally TAC Cup) is one of the primary feeders into the AFL /AFLW & VFL / VFLW systems, with the Dragon's having 134 players drafted into the AFL / AFLW since the program's inception in 1992. On-top of developing footballers, a big focus of the pathway is also around personal development / off-field education with all program participants undertaking education sessions around (including but not limited to);

- Learner Driver Education
- Mental Health / Social Media
- Diet / Nutrition

What is the day for?
