Continuing Individual Music Tuition 2022

To help with planning we would like to know which of our students intend to continue individual music lessons in 2022. Tuition is provided in piano/keyboard (Mr Grant Hutchesson, Mrs Deborah Brandon), guitar (group and individual lessons Mr Jack Gray), percussion/drums (Mr Sam Krieg) and violin (Mrs Marta Sutora).

Lessons are of half hour duration once per week and the charge is approximately \$30 per lesson, (if a lesson is a shared lesson, the cost will be less).

Fees are payable in advance directly to the music teacher.

Rostered music lesson times are rotated each week so that students don't miss the same classroom lessons.

If your child is wishing to CEASE LESSONS at the end of 2021, or wishing to CONTINUE LESSONS AT THE SCHOOL IN 2022, PLEASE COMPLETE THE SECTION BELOW.

To provide the teachers required for 2022 we need to know now, accurate numbers of children wanting to participate in lessons offered at the school. Please complete the form below and return to the school by Friday 22 October (W2). Forms received after this date may not be able to be processed.

PLEASE NOTE: If your child will be learning an instrument we will enclose a Music Agreement form in your end of year envelope. This form outlines specific details and conditions. (e.g. a term's notice required to cease lessons).
