

We would like to acknowledge the traditional custodians of this land. We pay our respects to the elders both past, present and emerging.

BACK 2 SCHOOL

Back 2 School Week featured lots exciting activities such as coloring for creative expression, "All About Me" profiles to foster friendships, and Educator Trivia to connect Kids with staff, all aimed at creating a welcoming, engaging environment for easing back into the school year.

GARDENING WEEK

Gardening Week at OSHC introduced children to planting, nurturing plants, and environmental awareness, fostering teamwork and responsibility while cultivating a love for nature through hands-on learning and engaging activities.

If you have any feedback or suggestions please do not hesitate to reach out as we are always open to new ideas! This week, our menu was created collaboratively with our children and we came up with a very delicious selection! The students also enjoy a great selection of healthy fruits and vegetables! Our weekly menu follows Nutrition Australia's guidelines and is created with the children and parents. All cultural needs are considered. Any dietary requirements are to be discussed with the program coordinator.
