St Edward's Annual Improvement Plan 2024

Vision Statement

With Christ as our guide, we aspire for our staff and students to be the best version of themselves as we develop the capacity to make a positive difference in our world.

Our 3 Key Priorities for this year are:

What is the impact of a schoolwide targeted approach to curriculum, assessment and instruction on the learning outcomes for all students?

How do high functioning teams and quality instructional leadership improve the conditions for teaching, learning and wellbeing?

What is the impact of promoting compassionate, collaborative and effective partnerships within our school community?

Creating and maintaining calm and positive learning environments where everyone is safe, valued, respected and cared for.
