The Swinburne Advantage

We believe an undergraduate education must be about more than knowledge. In today's competitive job market, it must be about true job readiness.

*For over 50 years, Swinburne has been partnering with leading Australian and global organisations to offer students authentic workplace experiences. It's your chance to work on real industry projects, solve day-to-day challenges in your field and gain the professional skills that put knowledge into practice. You'll build invaluable skills and confidence in knowing you have what it takes to land a job in your field by graduation; or even before, with the possibility of continuing employment while completing your degree part-time. It's what we call the **Swinburne Advantage**.*

The **Swinburne Advantage** to all new commencing undergraduate students. **Find out more by browsing [The Swinburne Advantage](#) which includes information about:**

News from Deakin University

➤ **Update from the Faculty of Business and Law**

Compulsory career planning unit for commerce students! Preparing to find a job will soon be an integral part of the course for commerce students at Deakin, with a compulsory unit in career planning being piloted. The compulsory **Personal Insight** unit will provide career development experiences for students, and has a clear focus on students co-creating their professional identity. The unit is the Bachelor of Commerce's key vehicle for creating awareness and engagement in University initiatives, which include planning for choice of majors and alignment to career aspirations, the Career Portal, Work Integrated Learning and international mobility initiatives. The Personal Insight unit is a journey of discovery in which students explore intrapersonal and interpersonal aspects of themselves with the goal of creating a personal portfolio of career resources, to assist them to gain Work Integrated Learning placement(s) and be better prepared to find a graduate role.

Entertainment production students gain industry experience promoting new Australian film!

First year entertainment production students at Deakin are helping to promote the new Australian film, Pawno (2016). Meeting with director Paul Ireland and writer Damian Hill in a masterclass at the

university, students are encouraged to learn firsthand about producing entertainment today. Social media platforms, festival circuits and online media exposure are some of the topics they explore while promoting the film in student groups. This is just one of the exciting opportunities available to those studying the *Bachelor of Entertainment Production*, which is a new degree that joins a passion for entertainment to the possibility of student learning in a hands-on, collaborative and supported environment. **Find out more about the Bachelor of Entertainment Production by browsing [Entertainment Production at Deakin](#)**
