Dear Community,

**RE: LOCAL PARKING GUIDE**

Brimbank Council has now completed installation of the new parking signage in the Sunshine Hospital and Ginifer Station area. The new parking restrictions are now active and being enforced. **Parking inspectors are regularly patrolling the area and fines are being issued.**

What this means for Jackson School families:

Front Car Park

When the pick-up bays are full, the electronic gates will close to prevent congestion and unsafe traffic build-up. **The gates will automatically close between 2:15pm and 3:00pm each school day.** They will only be reopened for emergencies by authorised staff.

Illegal Parking

It is not permitted to:

- Stop or park across a driveway (crossover)
- Block footpaths
- Stop in No Standing or No Stopping zones

**Council officers are issuing infringement notices. The fine for obstruction offences is currently \$814.04.**

Where to Park

**We strongly encourage families to park in surrounding streets and walk 5–10 minutes to school using the supervised crossing. Most nearby streets are two-hour parking (2P).** Please follow all local signage.

Parking away from the school gates reduces congestion, improves safety and supports our neighbours and the hospital precinct.

Reducing Traffic at Pick-Up Time

**Families may be eligible to access the free Student Disability Transport Program (SDTP) bus. Please contact the school office for further information.**

Our priority is the safety of students, staff and families. We appreciate your cooperation as we manage increasing traffic demands in our area.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'Anthony Jackson', with a checkmark at the end.

Anthony Jackson  
Principal

# Local Parking Guide

\*Always follow local parking signs. Parking Inspectors patrol this area and issue parking enforcement fines.
