

Invitation: How can the ResourceSmart Schools program benefit your school?

ResourceSmart Schools is a free Victorian Government funded program. Since 2008, over 1,500 Victorian schools have collectively saved over \$22 million.

The ResourceSmart Schools program assists Victorian schools to embed sustainability in all aspects of the school – business, infrastructure, curriculum and community. Each school is supported by a regional facilitator to help them every step of the way.

To learn more about this program, we warmly invite you for an afternoon tea introduction on Monday 5th November 4:15pm until 5:15pm.

Hear from experts about best practice in waste and energy reduction.

Learn about ways of providing students with hands on experiences in sustainability

Gain clarity about what Education for Sustainability means for your school.

Be inspired by school stories from teachers who have benefited greatly.

Make contact with supporting agencies who are dedicated to helping your school's journey.

Who Should Attend?

This focus session is relevant for Principals, Assistant Principals, Business Managers, Teachers and Parents looking for clear ways to develop sustainability in their school.
