Rugby League – Around the Grounds

Year 6

After a couple of weeks away from the game, the Marist boys were keen to get back into some competitive footy. However, a physically dominant performance from Padua in the first half and a large number of missed tackles by the home team meant that Ashgrove would be chasing points. Marist came out and sought to improve their defence in the second half, with the first fifteen minutes seeing a much more committed effort from all players. Unfortunately for the home side, Padua scored a number of late tries to come away with the win 42-4. Harry McAuliffe, Max Caughtley, Harry Barden, Lachie Webster, and Phelix Meehan produced powerful attacking runs and strong defence.

Year 5

The 5As came up against a very strong Padua side on Saturday. Padua came out the gates firing and put the first points on the board within a few sets. The Marist middle led by Ned O'Donoghue and Tex Higginbotham muscled up and gave as good as they got against a strong Padua pack, gaining MCA the much-needed momentum. Some crafty shape and ball playing by Jack Davis allowed our outside backs to put on points throughout the game. However, it came down to the wire, and in a scintillating finish, after the siren, Tex Higginbotham pulled off a 1-on-1 strip, ran the length of the field and scored to win the game for Marist 16-12.
