VOCAL GROUP

In Y7/8 singing is part of the Create Performance curriculum and students who enjoy singing can take group lessons and sing in harmony with others who are interested in further developing their vocal skills. Group singing is fun! Vocal Group performs songs from around the world with a developing repertoire that includes contemporary, pop, jazz, folk & classical music!

Vocal Group students perform at school functions & presentation nights and sing carols to delight local community audiences at Christmas time.

AFRICAN DRUMMING ENSEMBLE

In Y7/8 African Drumming is part of the Create Performance curriculum and students interested in further developing their skills can learn to play new songs and rhythms on a variety of African drums in our African Drumming Ensemble.

African Drumming students perform at local community festivals, primary schools, school functions & presentation nights!

Drumming begins in the learning space!

STRING ENSEMBLE

BAND/SMALL ENSEMBLES

Instrumental music students participate in bands & small ensembles with various instrument combinations!
