

# CAULFIELD JUNIOR COLLEGE NEWSLETTER

## COMING UP NEXT WEEK?

Dear Parents,

We're excited to announce that TeamKids has partnered with Kids Unlimited to offer **Robotics** as an after-school activity **every Wednesday** from **4:00 PM to 5:00 PM!**

This program takes place on-site during after-school care, making it a convenient and enriching experience for your child. To secure a spot, simply book through **FullyBooked** when registering your child for after-school care.

For more details on how to book, please visit the service or speak with a staff member—we're happy to assist!

We look forward to seeing your child explore the world of Robotics with us!

## HATS AND SUNSMART!

As the weather is still summery, we would like to kindly remind you to send your child to Teamkids with a hat each day. The strong UV rays during this season can be harmful, and wearing a hat is an effective way to help protect their face, neck, and eyes from the sun.

Please ensure that the hat is comfortable and provides good coverage. We appreciate your support in keeping our students safe and protected from the summer heat!

## LOST PROPERTY

Please take a moment to check the lost property area, located right at the front of the TeamKids building. We've noticed that hats, jumpers, water bottles, and other belongings are frequently left behind in the wooden trolley and remain unclaimed for days.

To keep things tidy, we'll be doing a weekly clean-up every Friday. Any unclaimed items by then will be cleared out, so be sure to check regularly to reclaim any lost belongings!

Thanks for your help in keeping our space organized! 😊
