

We acknowledge that the land in which we meet, learn and play is the traditional land of the Boonwurrung people.

## Hello St Mary's!

We have had a busy two weeks here at Theircare but we have absolutely loved every part of it! Over the last fortnight we have had so much fun with our environmental theme in week 7 and our let's get physical theme in week 8.

We enjoyed making all different kinds of crafts, from our pipe cleaner bubble wands, to racing paper planes. Some of our crowd favourites were our recycled bird feeders, seed paper and bubble wands for week 7, and in week 8 we had fun with paper cup bowling, DIY bouncy balls and paper plane races.

On Friday week 7, we held our first parents grab n go breakfast which was a huge success! We enjoyed getting to know our school community and being active members within it.

## Welcome!

At Theircare St Mary's we believe in giving students the opportunity to learn through play and action in every service we provide. We know that every child has the right to be respected and we strive to ensure that every child feels safe and secure at our service. We believe that every child has the right to be seen and heard, so we ensure that students have a voice in our weekly programs and menus.

## Coming up

Next week we have all types of Christmas fun to get us into the festive spirit! Including Christmas decoration making, Elf on the shelf and so much more!

## holiday program 2023

Holiday Program 2023 is fast approaching! We've got trips to bounce, archery and so much more. Starting from Jan 9 2023, get your bookings in now!
