

How the Read-a-Thon works:

1. Get reading for 2 weeks from 4 August to 18 August 2025
2. Cosy up and try to read every day
3. Keep a record of the time you spend reading each day
4. Ask your special grown-ups to sponsor your reading with a donation
5. Use this form to keep track of your donations
6. At the end of the Read-a-thon, ask your carer to scan the QR code and fill out the Google form to record your participation. Add in your reading tally and donation totals.
7. All kids who join in will get a certificate, and prizes will be awarded to the top readers
8. **All money raised will go directly to the NPS library.**
