Welcome to TheirCare!

TheirCare provides a stimulating and safe environment for all children and young people, an environment where children come and enjoy their time in their program. During session time children develop life skills, friendships, confidence and creativity through play.

We pride ourselves on providing a safe, educational, nurturing and caring environment. TheirCare's purpose is to incorporate the needs, interests and learning development of children whilst in our care, to ensure all children and families have a sense of belonging.

Relief for **up to 90% of the fees is available for eligible families.** The amount of CCS you receive is based on your families' income and hours of recognised activities you do, as well as the age of your children and the type of childcare you use. There is also additional support for some families, including where a grandparent/s are the primary carer, families moving from an income support payment to work, and those experiencing temporary hardship.
