

NURTURING THEIR INNER STRENGTH

Inspire presents The Fathering Project Breakfast

Join the John XXIII community for an inspiring presentation by Ashlee Harrison from **zero2hero**.

This special breakfast will focus on connection, resilience and wellbeing within our College community.

Find out what kids are saying that they often don't say to their parents!

The morning will begin with stand-up, cocktail-style networking over bacon-and-egg rolls and barista coffee, to be followed by a 45-minute sit-down presentation.

Our guest speaker

Ashlee Harrison is the founder of **zero2hero**, a WA charity dedicated to preventing youth suicide by educating, engaging and empowering young people to support their own mental health and that of their peers.
