VU Early Entry Program

Tackle VCE with confidence, knowing you have a head start on your future with an early entry program unique to you!

Year 11 or 12 students studying VCE, VCE Vocational Major, Unscored VCE or an International Baccalaureate in Victoria, are eligible for VU Early Entry.

Successful applicants may enjoy:

- ✓ VU Early Entry scholarship (international students not eligible for these scholarships but can apply for scholarships [here](#))
- ✓ Free ATARNotes+ subscription
- ✓ 5 bonus ATAR points and a Conditional Offer*

*Excluding the Bachelor of Education (P-12) and Bachelor of Education (Primary)

Note: Students will still need to satisfy the admission requirements/prerequisites for the courses they preference in VTAC. Students who do not meet the admission requirements, will be considered for a place in an alternative course designed to help them achieve their goals. Therefore, the course offer students receive will be based on their course applications/preferences and on study scores plus other admission requirements etc.

We are looking for applicants who embody the values of Victoria University: progressive, forward-thinking, inclusive and bold! We recommend trying to incorporate these values into your responses.

Applications open on 21 April 2026 at [Victoria University's Early Entry Program](#) and will close 15 October 2026.

Free Interior Design and Decoration Short Course

Torrens University is offering a *free* 6-week short course providing an introduction to the principles of interior design and decoration and the fundamentals of interior design.

Across six modules, students will explore colour, lighting, materials, styling, and even how to prepare and present a project to clients. Each module comes with resources and activities to assist students in putting their learning into practice.

Find out more at [free Interior Design short course](#).

News about the Bachelor of Early Childhood Education

Box Hill Institute now offers a limited number of Commonwealth Supported Places (CSPs) for the Bachelor of Early Childhood Education.

The Bachelor of Early Childhood Education is an excellent program for students who are interested in becoming early childhood teachers.

This degree meets Victorian Institute of Teaching (VIT) standards for early childhood teachers and is recognised by the Australian Children's Education and Care Quality Authority (ACECQA).

It includes 80 hours of practical placement in a range of early childhood settings, and supportive workshops to help students turn pedagogy into practice.

For more information about the course or CSP selection criteria, please visit [Bachelor of Early Childhood Education](#).

What is Medical Imaging and Radiation Sciences?

Monash University offers courses in both *Radiography and Medical Imaging (honours)* and *Radiation Sciences*.

Students often ask what the differences are between these two areas of study, and Monash has a detailed information on its website providing answers to these questions.

Students are encouraged to spend some time browsing [What is Medical Imaging and Radiation Sciences?](#) Included on this page is a useful YouTube clip, well-worth watching!

Aspire Program for 2027 Entry

➤ **Aspire Community Impact Program**

Open to domestic and permanent resident students only.

Requirements: Year 12 pass, VCE minimum prerequisite study scores and ATAR required.

Students will also need to make a VTAC application.

At La Trobe, we believe there is more to being a good student than marks alone. Have you been a leader? A volunteer? A key part of your community? Then we want to hear from you.

The [Aspire Community Impact](#) rewards Year 12 students for their volunteering or community contribution experience with an early conditional offer for most undergraduate courses at La Trobe.

Aspire Community Impact is a great option for students that are looking to use their community service or leadership experience to secure a spot in their dream course at La Trobe.

Successful applicants get an early conditional offer into their dream course at La Trobe, provided they meet the Aspire ATAR requirements and any other general course requirements for entry (such as subject prerequisites or additional entry criteria). Entry into all La Trobe courses is based on competitive selection and there may be limited places available.

A number of [Aspire Scholarships](#), worth \$5,000 per year for up to four years, will be awarded to leading eligible Aspire students.

Students can browse the link below which provides information regarding the participating courses and the required Aspire ATAR.

When applying, applicants are required to provide information about the length and frequency of their community service and/or volunteering experience.

Types of volunteering include –

- fundraising for charity
- helping to run a school/community club
- coaching a sports team
- volunteering at a nursing home
- mentoring younger students
- leading as a school or house captain

Students who have volunteered with any of La Trobe’s volunteer partners listed below, will receive an automatic conditional offer[#] at La Trobe University.

- SES Victoria
- Scouts Victoria
- CFA
- Bendigo Health
- St Vincents De Paul (Vinnies)
- Little Dreamers
- St John Ambulance
- Awards Victoria - The Compass Award
- Duke of Edinburgh's International Award - Australia

[#] *Not necessarily an offer for the course they have applied for*

Further details can be found at [Aspire Community Impact at La Trobe University](#). Applications open on Wednesday 1 April 2026 and close Friday 4 September 2026. Students can nominate up to three courses and should do their research as they cannot edit these once their application is submitted.

➤ **Aspire Academic Impact Program**

Open to domestic and permanent resident students only.

Requirements: Successful completion of Year 12 and VCE minimum subject requirements and course prerequisites.

Students will also need to make a VTAC application.

Aspire Academic Impact is a great option for Year 12 students who are looking to lock in their future by securing a spot in their dream course at La Trobe.

Instead of an ATAR, La Trobe will use a student's performance in Year 11 to secure an early conditional offer into a range of courses at La Trobe. It's the perfect way to take the stress out of Year 12.

Students can submit an application at [Aspire Academic Impact at La Trobe University](#), provide both semester one and two Year 11 reports, and submit a School Endorsement form signed off by a Year 11 or VCE Coordinator.

Applications open Wednesday 1 April 2026 and close on Friday 4 September 2026. Students can nominate up to three courses and should do their research as they cannot edit these once their application is submitted.

INSTITUTE PGA Institute

Whether you aspire to shape the future of the game, inspire the next generation of golfers, or turn your passion into a profession, the PGA Institute's industry-focused education equips you with the skills, knowledge, and flexibility to succeed.

The PGA Institute is the only Registered Training Organisation (RTO) in Australia dedicated to delivering world-class education and professional development specifically for the golf industry. With courses integrating business, golf training, service, sport, and practical golf skills, the PGA Institute prepares students for diverse career opportunities within the industry.

Career in Air Conditioning Technology

According to the Career Cornerstone Centre, ***air conditioning engineering technologists work in the design, installation, and service of heating and air conditioning systems in residential and commercial buildings.*** They know how to select and maintain equipment that ensures building comfort.

According to the [Good Universities Guide](#), there are a range of specialised roles in this field, such as –

- **Refrigeration and Air Conditioning Draftsperson**

Refrigeration and air conditioning draftspersons design and produce working drawings of mechanical systems for refrigeration and air conditioning systems within a building project so that they can be manufactured, constructed, and installed.

Apart from having an aptitude for problem-solving, good communication skills, and being able to work as part of a team, a particular interest must be enjoying technical and design activities.

- **Automotive Air Conditioning Fitter**

Automotive air conditioning fitters install and repair air conditioning units in various types of vehicles and machinery, such as cars, trucks, vans, and tractors.

Successful fitters enjoy practical and manual activities, have good hand-eye coordination, an aptitude for mechanical work, are able to keep up to date with technological change, and have good problem-solving skills.

- **Refrigeration and Air Conditioning Mechanic**

Refrigeration and air conditioning mechanics select components, assemble, install, test, fault-find, service and repair industrial, commercial, and domestic refrigeration and air conditioning systems in homes, shops, factories, office buildings, hospitals, supermarkets, and cold stores.

Besides having an aptitude for problem-solving, good communication skills, and being able to work as part of a team, other important personal requirements of these specialised mechanics are being able to work with hand and power tools, enjoy and have an aptitude for technical work, and work patiently, systematically, and thoroughly.
