

Theircare

Where Kids love to be!

Hello

The sun is out and we are beaming with joy to have everyone back at school!

It has been amazing to see everyone again and to see all the smiling faces as everyone returns.

In the last two weeks we have made some great progress with our animal collage, with new students adding their brilliant ideas to the piece.

This week we are getting prepared to scare! With heaps of creepy crawly Halloween activities planned and ready to go. Don't worry about decorations for home, we'll be making them at the Murrumbena scare factory.

Lastly, as we all transition back into the normal school routine, we understand that some children and their families may take some time to adjust. We're here to support every child and their families, and if you have anything you would like to discuss with our supportive team at Theircare, please feel free to reach out to me for a friendly discussion.
