USE OF STUDENT PHOTOGRAPHS, NAMES & WORK CONSENT FORM 2022

Dear Parents,

We are required, each year, to obtain consent from parents/guardians before publishing student names, photos and student work. On occasions, we are requested or seek to put photos in local papers. Visiting groups may ask to take photos or publish student names in relation to a school or community activity. Our school newsletter is published on the school website. Some class activities involve publishing student photos. Any such publishing must be authorised.

Some Newspapers require first and last names when publishing photographs. Please advise below if you do not wish your child's full name published.

The school website will continue to only publish student's first name only.

The school does not put photos of any students on the Beaufort Primary School Facebook page.

Please return the form below to indicate your wishes on this matter.

Please note, that if it is not returned, we must assume that you do not consent for any form of publishing.

Yours sincerely,

Tameeka Rush
Principal
