Dear Ms Crisara,

I am writing to provide you with an update regarding the Victorian Budget 2020/21.

As part of the Budget, the Andrews Labor Government will provide over \$9 million to upgrade the Mickleham Road – Aitken College intersection, delivering new signals to improve traffic flow and safety for drivers and pedestrians.

The funding also includes scoping works for the development of improvements to the Mickleham Road corridor.

This project will improve safety and relieve congestion on one of our busiest local roads, and I would like to acknowledge the work of Aitken College in advocating for this outcome.

I look forward working with our community to ensure this important project is delivered, as well as other future improvements to Mickleham Road.

For further information, please do not hesitate to get in contact via email at ros.spence@parliament.vic.gov.au on 8377 4477.

Kind regards,
