

COMMUNITYOSH NEWSLETTER TEESDALE PRIMARY SCHOOL

We can't believe this is the last couple of weeks for the year! All of us at the program have had a fantastic year, with plenty of learning through play! This last fortnight we are focusing on taking care of our physical and mental wellbeing as we enter the festive season. Next week will be filled with Christmas activities as we celebrate not only Christmas but the last week of school. We are so excited, and we know our children are, too! Stace and I want to thank the support of all our families and the fantastic effort from our children. Until next year, have a Happy Holiday and a great New Year!

Rachael + Stacey
