**ST VINCENT DE PAUL "ASSIST A STUDENT"** The Assist a Student Program gives you the opportunity to provide funding to support the education of a student in one of our partner countries for one year. In many Asia Pacific countries, poverty excludes individuals from reaching their full potential by being a barrier to opportunities, including accessing education. Donors provide \$70 per student (to be increased to \$100 on 2 October 2020) that assists a primary, secondary or tertiary student in one of our partner countries to access education. In our partner countries, local St Vincent de Paul Society members select students from families in need to be assisted by the program.
