

COMMUNITYOSH NEWSLETTER

TEESDALE PS

There has been plenty happening at CommunityOSH these last couple of weeks. Focusing on the use of natural and processed materials to create an array of art to see some beautiful nature bouquets where children selected some beautiful plants from their stunning landscape that they have here at Teesdale Primary. The children have been engaging in plenty of group play as they designed their own marble mazes with the leggo, asking their friends to try and figure out their maze. Beautiful artwork had been created outside our Osh building as children engaged in spontaneous play and created a stunning walkway for all to gaze upon using chalk.

Osh would also like to take this opportunity to share some special news that Rachael is expecting a baby in November! We hope our families have a great week and we are looking forward to reporting back in the next couple of weeks! Rachael + Stacey
