

TARADALE OSHCLUB

Term: 3 Week: 5

Hello Everyone!

It's hard to believe we are already at the halfway point of Term 3, but here we are!

It's been so lovely to have some sunshine and warmer weather, a taste of what will hopefully be a beautiful spring coming soon.

This week we've been enjoying our new resources which have been a very welcome addition to our afternoons. Some new construction toys, games, beads and lots of new stationery to try out has been very exciting!

We started our baking Mondays this week and began with chocolate truffles, super yummy! We've also enjoyed some fruit toast and mini meringue nests with berries.

Have a great week!
Brooke

Coming up...

We are currently in the middle of National Science Week, and on Friday we will be doing lots of science experiments in celebration! Magic coloured milk, dancing raisins and using skittles to make patterns in water are just some of what we have in store!

Next week is Book Week, so at OSHClub we'll be making some bookmarks, experimenting with flip books and having a Possum Magic themed Fun Friday to celebrate our love of books.
