## YEAR 9

### PROJECT RUNWAY

Here are some examples of some of the fun tasks we have been working on in Project Runway. Students have been developing skills in inserting zips, appliques and working with more challenging fabric and stitches. So far, students have cleverly produced a pencil case and a soft toy. On to bigger and even more challenging projects next!

## YEAR 8 ART

Year 8 have been finishing work on some rather fabulous pen and ink drawings on the theme of caricatures and steampunk. They have also started to look at the use of positive and negative space and some simple printmaking tasks. We even managed to work as a team and make a group print!
