2026 SCHOOL MATERIAL & SERVICES FEES

Attached is your invoice for School Fees.

The Compulsory School Materials & Services Fee has been established at **\$306.00** per student for 2026.

This money, together with Education Department Global Budget Grant, is used to provide your child with text books, educational materials, computing, sporting equipment, apparatus and equipment in all subjects during the Year 2026 course of study at the school. Stationery, art supplies and duplicating materials will also be provided throughout the year.

GOVERNMENT REBATE

We are pleased to inform you that for the 2026 school year, the South Australian Government is providing a \$200 discount on the Materials and Services Charge for every student attending a government school. This initiative is designed to provide meaningful cost-of-living relief for our school community. You do not need to apply for this reduction; the discount will be automatically applied to your 2026 school invoice. Please note that families approved for the School Card scheme are not eligible for this specific discount, as their materials and services charges are already waived. If you have any questions regarding your invoice or payment options, please contact our finance office.

SCHOOL CARD

For families who qualify for Government Financial Assistance (School Card) there is an allowance which provides for school material and service charges to be paid in full. You can apply for School Card online at sa.gov.au/education/schoolcard (instructions are enclosed).

NOTE: This form needs to be completed and lodged EVERY year (even if you have been eligible in previous years). School card applications must be completed by the 30th of June, 2026.
