### **Uniform and Presentation Code**

On accepting a place at our school families agree to adhering to:

“4.1 The School has a clearly enunciated uniform, presentation and grooming code. All students are expected to wear the uniform as designated and keep to the presentation and grooming standards. Parents and Carers are expected to support the School by re-enforcing the uniform, presentation and grooming standards with the students.

4.2 Details of these requirements are provided at the time of enrolment and can be obtained from the School Office.

4.3 The School reserves the right to judge and legislate on any matter of uniform, grooming or presentation. Decisions of the School are final.”

The school uniform identifies the school within the community and develops a sense of school spirit and belonging within the student body. Uniforms identify our students for their own safety on and off site and the health and safety of students when involved in school activities. Some specific uniform requirements, such as shoes, hair and jewellery, are directly related to student safety.

The wearing of correct school uniform is compulsory and students are expected to arrive wearing it daily. A note is required if a student is not in correct uniform. Parents/carers are asked to ensure that each item of clothing is clearly labelled.

Uniform is checked regularly by class teachers and the Leadership Team. Students who consistently do not comply with the school uniform requirements may be prevented from participating in the following activities:

- Attendance at school events
- Participation in representative sport and extra-curricular activities
- Other activities as determined by the School Executive
