Grade 8 Camp 27-30 April 2021

Dear parents,

The Grade 8 Camp is fast approaching. It will be a great opportunity for students to spend time together, participate in team activities, receive spiritual input, and develop relationships. The Grade 8 Camp will be at Spring Beach Youth Camp near Orford.

Travel

The bus will **depart** from the main carpark (outside the hall) at 9.00 am on Tuesday 27 April. Students will need to arrive at school no later than 8.30 am to allow time to pack gear and arrange bus seating. Please help to ensure that your son or daughter arrives on time and is ready to go.

Students are permitted to be in free dress.

Students will require a packed morning tea and lunch for the first day. A water bottle is also required.

The return bus on Friday 30 April will be arriving back at the College by 3pm. Families will be notified if there is any delay in the expected return time.

Payment Arrangements

The cost of the camp has been advertised through the College Newsletter and is \$235. The cost of the camp will be invoiced to families as part of school fees.

Medication & Diet

If your son or daughter requires prescription medicines whilst on camp, please arrange for these to be safely stored by staff. The medications should be sent in the original container displaying the instructions as provided by the pharmacist or in regulated dosage containers. Staff will have the medical forms of all students and medicines must be passed to a supervising staff member on the morning of departure.

The camp kitchen needs as much prior notification as possible to cater for special diets. All special dietary information must be included on this form.

Form Return – Wednesday 31st March

Please ensure that all fully completed forms are returned **to the school office by Wednesday, 31st March, especially if you are providing special dietary requests.**

Southern Christian College will use the personal information it collects from you for the primary purpose of enabling the College to provide schooling for the pupil, to keep parents/guardians informed, the student's educational, social or medical wellbeing or to satisfy the College's legal obligations and allow the College to discharge its duty of care.
