

BMW Group #NextTech

2023 Intake Now Open

Across VIC, NSW, QLD and SA

This is not just another automotive apprenticeship.

- NextTech is an industry-leading, 3 year fast-tracked light vehicle apprenticeship
- NextTech offers the opportunity to also work towards:
 1. Becoming a BMW Master Technician
 2. Receiving your qualification in automotive electrical
 3. Local and International Apprentice Scholarships
- NextTech includes dedicated trade school classes with BMW qualified trainers
- Trade school is held at Kangan Automotive Centre of Excellence in Victoria (may require interstate travel)
- All PPE, BMW Uniform, travel and accommodation costs are covered where applicable.
