

# 2024 MPW Annual Implementation Plan

## Maximise Learning Growth

- ✓ Curriculum Teams to introduce and explore the Mathematics and English Victorian Curriculum 2.0
- ✓ Strengthen staff's capacity of evidence-based practices in Reading and Mathematics through Professional Learning
- ✓ PLT Inquiry Cycles to support student needs and to build teacher capacity

IMPROVEMENT CYCLE

- ✓ Document Tier 1 Universal practices and approaches for staff to ensure consistency in school wide behaviour expectations, Rights, Resilience and Respectful Relationships(RRRR), School Values and student engagement
- ✓ Develop and document Tier 2 Targeted practices and referral processes, in support of the Disability Inclusion model.
- ✓ Staff to build capacity in using evidence-based behaviour management strategies and evidence-based pedagogical approaches in teaching and learning practices to support student engagement

## Strengthen Engagement And Wellbeing

**We think, create and learn together**
