

FAIRFIELD TEAMKIDS NEWSLETTER

WHAT'S BEEN HAPPENING

Hello Fairfield Families,

What a great start to Term 1, 2025 we have had here at TeamKids. For those of you who have not met me, my name is Chelsea, and I am the Director of Service along with the lovely Shaylee who is the 2IC at TeamKids Fairfield.

Our Prep children have settled in well at TeamKids and have become familiar with our routines, boundaries and expectations. If you are thinking of sending your new Prep child to TeamKids, feel free to come and visit the service and meet the team prior to attending.

Children have voted for their Term 1 Clubs and they are EPIC Games, Lego Masters, Hama Bead and Art Attack, Each term the children are able to vote and give their activity suggestions. This ensures that the TeamKids Fairfield educational program is strictly child initiated, and children enjoy what they are doing at before and after school care.

Medical Reminder

If your child has asthma, allergies or anaphylaxis – please ensure medication is dropped off at the service prior to your child attending. Medication will need to be in it's original packaging (we cannot accept anything less) and will need to be kept at the service and given to the staff in order for your child to attend. All medical, additional needs & dietary requirements will also need to be stated on your child's enrolment.
